Dear Parents/Carers

Galileo class will be visiting Bolling Hall on **Wednesday 27<sup>th</sup> February**. It is part of a Bradford project "Bringing Literacy to Life" and our school has been successful with its application.

This visit is linked to the children's new topic, 'Would you prefer to live in Bradford or Kenya?' They will be fully immersed in this time period with a range of oracy based activities that will further deepen their understanding of African life. This unique opportunity will let the children explore a Tudor style period building, which will help them in their topic lessons.

As part of the project, Bradford Council would like to publicise and promote the amazing resources that Bradford can offer to schools and so have also they asked us if they could take photos and/or videos of our pupils on their visit. The photography or videos will be used **only** by Bradford council and will be used for publicity and advertising purposes. This may include printed materials and electronic media such as websites and digital communications.

*The images will not be sold to any third parties and will be stored for a maximum of 8 years.*

Please indicate your consent below for your child to be part of this project. If you have any questions about this – please speak to your child's class teacher.

Thank you

Yours Sincerely  
Year 2 Team
