Dear Parent/Carer

As part of the school's Personal, Social and Health Education programme, your child will receive lessons looking at positive and healthy relationships, including friendships which will also include looking at growing up and changes in their body.

The purpose of the upcoming unit is to provide knowledge and understanding of safe and healthy relationships based on love and respect. This is to encourage the eventual development of safe and healthy relationships in later life. The unit will develop understanding and attitudes which will help pupils to form relationships in a responsible and healthy manner.

The school nurse will be coming in to begin the programme Thursday 28<sup>th</sup> February.

You are welcome to contact us to discuss the programme further.

Yours Sincerely

Year 5 & 6 Teachers
