

28th February 2019

Dear Parents and Carers

Science Week

Next week we will be celebrating National Science week by taking part in a wide range of scientific activities in school. We have spent a long time planning the week and we can't wait for all of the fun learning to get under way!

This year's national theme is 'Journeys' and each year group will be using this theme in different ways.

We would like to invite parents to come into school and join in with our science learning. Please see the timetable below which tells you when your child's class is doing the parents morning activities.

Tuesday 12 th March 9am – 10am	Phase 3 (Years 3 and 4)
Wednesday 13 th March 9am – 10am	Phase 2 (Years 1 and 2)
Thursday 14 th March 9am – 10am	Phase 1 (Nursery and Reception)
Friday 15 th March 9am – 10am	Phase 4 (Years 5 and 6)

If you would like to come and join in with your child's science activities, please come in with your child in the morning through the usual doors.

We look forward to seeing you.

Kind Regards

Mrs Binns
Science co-ordinator
