Dear Parent/Carer

As part of Science Week and in connection with our topic on growing up, we are taking some children to a local nursing home to visit some of the residents. While they are there, they will have the opportunity to play some board games and talk to them about the games they used to play and their lives as children.

The visits will take place as follows :

Pankhurst Monday 11th March

Turing Tuesday 12th March

Ennis Friday 15th March

They will walk there with their class teacher. Please make sure your child is wearing appropriate footwear and has a coat in case it rains.

Thank you for your continued support.

Yours sincerely

The Year 5 Team
