## School Vision – parents feedback sought.

Dear parents and carers,

Recently the local Governing Board met to discuss our school aims and the vision we have for the children in our school. We have kept our school motto – *Inspiration, Aspiration and Determination*, and the governors have re-written our vision and aims. The aims describe what Governors want our school to be. The governors would like to have feedback from parents;

*Our vision is to create a school community where children participate, succeed and are proud of their achievements. We strive to actively promote our school values and develop our children to become role models, preparing them for life.*

Through our 5 school values of **Respect, Responsibility, Integrity, Resilience and Enthusiasm** we aim:

1. To ensure our children are safe, happy and achieve their potential.
2. To celebrate achievement and diversity and to strive for continuous improvement and excellence.
3. To improve life chances by providing opportunities to develop skills for learning, life and work.
4. To work effectively in partnership with our parents, carers and community.
5. To nurture self-esteem and develop a love of learning through curiosity, talent and creativity.

I will be sharing this with the children via the school council and speaking to them about how we can reflect this in our school rules.

Please complete the questionnaire overleaf and return to school by **Friday 15<sup>th</sup> March**.

Thank you in advance

Lorraine Martin
