

Thursday 9th February 2023

Fundraising for Islamic Relief

Dear parents/carers

You will have seen on the news the devastating earthquake which has hit Turkey and Syria this week. Thousands of people have been affected by this catastrophe and need urgent help. Many people have been left homeless and need both support and aid from those who are able to help. As a school we wanted to do something to support those affected.

We are aware that there is a cost of living crisis and that you may have already donated to this appeal. We would like to invite all children to come to school tomorrow, **Friday 10th February 2023** in non-uniform. Pupils can wear the colours of the Turkey/Syria Flags – Red, White, Green and Black.

Staff will be outside on the path tomorrow morning money with some donation buckets – if you would like to donate all money raised will be given to Islamic Relief.

Thank you in advance for any donations made.

Your Sincerely

Mrs Hodge

Assistant Head
