### Knife Crime Awareness

Year 5 took part in a powerful and important workshop about knife crime. The session was designed to help children understand the dangers of carrying knives and how to stay safe in their communities. Through discussions and activities, the children learned about making positive choices, resisting peer pressure, and the importance of speaking up if they ever feel unsafe. The workshop was delivered in a sensitive and age-appropriate way, making sure the children felt supported and able to ask questions. It was a valuable opportunity to raise awareness and help our pupils feel confident about keeping themselves and others safe.

### Sports Day

Thank you to all the parents for your incredible support at Sports Day! It was a fantastic day filled with energy, excitement, and team spirit. From sprints to relays, obstacle courses to fun games, everyone gave it their all and had a brilliant time. The enthusiasm and effort from all the children were truly inspiring. Well done to all our little superstars – you made the day so special!
