

## Personal Development Offer at Margaret McMillan Primary 2024 - 25

	Inspiration	We inspire our children through our curriculum and enrichment by providing exciting new ideas and experiences through our personal development offer.						
	Aspiration	We believe in every single one of our children. We show our aspiration through our ambitious goals and consistently high expectations of our children. Our children show aspiration in their own goals						
	Determination	We offer opportunities for our children to be challenged and support them in overcoming the challenges throughout our curriculum. Our children show determination through these experiences by developing resilience and perseverance.
